

GHOSTS OF GRACE COTTAGE

Carolyn Wren

Two is good. Sometimes three is better

Returning home for Christmas and a new start, Eloise Waters settles on a small country cottage in a sleepy English village, despite the fact its previous owner was a recluse, the original owner was supposedly a witch, and it's now rumoured to be haunted!

On the first night in her new home, sensual erotic dreams surprise and delight her. Only these aren't dreams. The rumours are true. Two handsome Regency ghosts inhabit the cottage, becoming corporeal at night, trapped by a curse, compelled to satisfy every desire of the new owner. Elly begins to fall in love with Anton and Phillipe, her charming ghostly lovers.

But is there more? Can the curse be broken? Or does Elly risk her own soul? As Christmas approaches, and memories surface, how will Elly choose? How can she possibly leave behind the Ghosts of Grace Cottage?

Print size: 5" x 8"

Page count: 116

Release date: 3 July 2019

RRP: \$12.99

Wholesale available

About the author

CAROLYN WREN

Carolyn Wren was born just outside of London and moved with her family to Western Australia when she was four. They returned to England when she was eight and came back again when she was eleven, all by cruise ship, meaning Carolyn had traversed most of the world's oceans before she became a teenager. The resulting passion for travel has never left her.

After a working life in the finance sector, Carolyn began writing fiction in 2009, for fun. She won the very first writing contest she entered which gave her the incentive to keep going. As of 2019, she's published over a dozen stories through USA and Australian publishers, with upcoming releases through a UK publishing house. Her award tally so far is 7 wins and 14 finalist placings from all around the world. The trophies and certificates are displayed with a great deal of pride.

She's a proud member of the Romance Writers of Australia. Australian Romance Readers Association. Australian Society of Authors, and the KSP Writers' Centre.

Carolyn doesn't like to limit herself to one genre, preferring to let her characters take control. The resulting stories can range from light hearted comedic contemporary through to sexy, action packed romantic suspense and emotion driven urban fantasy. Because she's a true romantic at heart, one thing remains constant in all her books, she loves a happy ending.
